With 25 years' experience in general, cosmetic, restorative, and implant dentistry, Redmond dentist Dr. Jeff Files helps patients maintain strong, healthy, attractive smiles for life.

EXPERTISE IN SNORING & OBSTRUCTIVE SLEEP APNEA

A member of the American Academy of Dental Sleep Medicine, Dr. Files is an expert in oral appliance therapy, offering a range of FDA-approved, custom-made devices that are comfortable, easy to travel with, and represent an effective alternative to cumbersome CPAP machines.

COMPREHENSIVE TREATMENT OPTIONS

As a Fellow in the Academy of General Dentistry and member of the American Academy of Cosmetic Dentists, Dr. Files specializes in complex cases. His extensive training and expertise allow him to offer more procedures than typical dentists, including implants, Invisalign® orthodontics, and a full range of cosmetic procedures.

Renowned for his skill and artistry in smile makeovers, he uses a combination of techniques to create exceptionally natural-looking results that perfectly complement each patient's unique facial shape and structure.

ONE OF AMERICA'S TOP DENTISTS

Dr. Files was voted one of Seattle Met's Top Dentists for 2013, and consistently appears in local and national rankings. If you're looking for an experienced, versatile dentist in Redmond, call to schedule your complimentary consultation today.
